

KRISHNA SUNDAR R

Aspiring Data Analyst | Power BI Developer | AI/ML Enthusiast

+91-7305682450 | [rsundar8692@gmail.com] | [GitHub](#) | [LinkedIn](#) | [LeetCode](#) | [Portfolio](#) | [Certificate](#)

Professional Summary

B.Sc. Artificial Intelligence student and aspiring Data Analyst with hands-on experience in Python, SQL, Power BI, Advanced Excel, and Tableau. Skilled in data cleaning, transformation, exploratory data analysis, data visualization, KPI reporting, dashboard development, Power Query, DAX, and data modeling. Strong academic foundation in Artificial Intelligence and Machine Learning with practical exposure to data preprocessing and machine learning fundamentals. Experienced in using AI-assisted tools such as ChatGPT, Microsoft Copilot, Claude, and GitHub Copilot to improve research, analysis, coding, and productivity.

Technical Skills

Programming and Data Analysis: Python, Pandas, NumPy, Matplotlib, Seaborn, SQL

Databases: MySQL, Oracle SQL, MySQL Workbench

Business Intelligence: Power BI, Power BI Service, DAX, Power Query, Data Modeling, KPI Reporting

Spreadsheet and Visualization: Advanced Excel, Tableau, Data Visualization, Dashboard Development

Artificial Intelligence and Machine Learning: AI Fundamentals, Machine Learning Fundamentals, Data Preprocessing, Supervised Learning, Unsupervised Learning, Model Evaluation

Tools and Platforms: Git, GitHub, Jupyter Notebook, VS Code

AI Tools: ChatGPT, Microsoft Copilot, Claude, GitHub Copilot

Professional Experience

Software Trainer – Itech Academy, Tirunelveli

Apr 2025 – Present

Part-Time

- Train students in Python, SQL, Power BI, Advanced Excel, and DBMS through practical, project-based learning.
- Guide learners in data cleaning, transformation, data modeling, dashboard development, and business intelligence assignments.
- Create practical exercises and demonstrations covering SQL queries, Python data analysis, Power BI dashboards, DAX, Power Query, and Excel.
- Assist students in understanding real-world data analysis workflows and applying analytical concepts to projects.

Projects

Spotify Dashboard

Power BI, DAX, Power Query

- Developed an interactive Power BI dashboard to analyze Spotify songs, artists, genres, popularity, and music trends.

Sales Dashboard

Power BI, DAX, Power Query

- Built a sales analytics dashboard to monitor revenue, profit, products, customers, and regional sales performance.

Car Sales Dashboard

Power BI, DAX, Power Query

- Created an interactive dashboard to analyze car sales, vehicle categories, pricing, sales volume, and business performance.

Student Dashboard

Power BI, Advanced Excel

- Designed a student performance dashboard to analyze marks, attendance, grades, and overall academic performance.

Olist E-Commerce Dashboard

Power BI, DAX, Power Query

- Developed an e-commerce analytics dashboard to analyze orders, customers, products, sales, delivery, and business performance.

Power BI Sales Dashboard

Power BI, DAX, Power Query

- Created a business intelligence dashboard with interactive KPIs, sales trends, product analysis, and regional performance insights.

Education

B.Sc. Artificial Intelligence – St. Xavier's College (Autonomous), Tirunelveli

2024 – 2027

Currently in 5th Semester

Certifications and Credentials

- IBM SkillsBuild – Foundational Data Concepts
- AWS – Introduction to Amazon Redshift
- AWS – Essentials of Prompt Engineering

Additional Information

Primary Career Focus: Data Analyst, Power BI Developer, Business Intelligence Analyst

AI/ML Focus: Artificial Intelligence fundamentals, Machine Learning fundamentals, and AI-assisted data analysis

Programming Languages: Python, SQL, Java, C, JavaScript
